

25th IMEKO TC-4 INTERNATIONAL SYMPOSIUM

23rd INTERNATIONAL WORKSHOP ON
ADC/DAC MODELLING AND TESTING

IMEKO TC-4

SEPTEMBER
12-14, 2022

BRESCIA, ITALY

CALL for LIVE DEMONSTRATION

IMEKO TC-4 2022 will have "Live Demonstration" track to allow an interactive and tangible form of presentation, which is quite different from the oral and poster sessions. The demonstrations will be conducted in presentation booths and ample space will be provided to set up a working system, may it be interactive software on a laptop or a hardware setup.

Conference delegates are invited to experience the demonstrations directly, to interact with, play with, and challenge them. Presenters will have the opportunity to show direct proof of their working systems and to create a lasting impression. Prospective demonstrations could be either be related to the work that has already been published or the one going to be published during the IMEKO TC-4 Symposium.

DEMO PROPOSAL SUBMISSION

Proposals of live demonstrations fill-in the online form available at
<https://imeko-tc4-2022.org/live-demo-proposal>

The demonstration description must contain the following information:

1. Demonstration title and author information;
2. Demonstration setup: Describe the equipment that you will bring to IMEKO TC4 2022. Include a photograph and/or a screenshot. Only a power plug, a table and pin wall will be provided. Demonstrators are responsible for the transportation of their own equipment to the meeting site. Indicate any special requirements such as for example extra space for demonstrating robotic movement or other requirements which the organizers should be aware of;
3. Visitor experience: Explain the way in which a visitor experiences and interacts with your demonstration;
4. Earlier publications (for demonstration based on already published work): Please include one or more citations referring to your work about the scientific background of your live demonstration.

DEMO PROPOSAL DEADLINE: June 30, 2022

In addition, there will be a "Best Demonstration Contest" to recognize the top live demonstration and encourage the participation in the demonstration session.
